rules for **GENERAL EVENTS**

Ranch Rodeo

Sponsored by Collegiate Peaks Bank

Saturday, July 29 • 6:30 pm

\$100 a rider

Teams must consist of 5 members

CALF BRANDING

In the branding pen there will be 10 cows and 10 calves with numbers displayed. One member of the team will rope the designated numbered calf by the heels - one or two feet is legal. Time will start and the drawn number will be called when the roper's horse's nose crosses the line at the entrance of the pen. The roper must drag the calf across the line by walking or trotting only. **If the horse lopes at any time, the team will receive a 'not time'.** At no point will the horse be allowed to lope with the calf in tow. The remaining team members must not touch the calf before it crosses the line. The members may touch the rope before the calf crosses the line, but under no circumstances will touching the calf prior to completely crossing the designated line be allowed. This will result in an immediate 'no time'. The calf must be flanked and held to the ground with all ropes removed before the brander is allowed to leave the branding pot circle. Brander shall then brand the calf and return the branding iron to the branding pot circle for time to stop. *Two minute time limit for the calf branding event.*

TRAILER LOADING

At the far end of the arena will be 10 cattle numbered 0 to 9. The drawn number will be called when the first member of the team crosses the designated herd line and time will start. The team must sort their numbered cow out of the herd, push across the line clean, then rope the cow by a legal head catch. The team must then load the animal in the trailer and remove ALL ropes. All ropes must be free from the inside or outside of the trailer. Four members of the team must get into the front of the pickup and shut all doors to the pickup for time to stop. The remaining fifth member of the team is to remain horseback. Team will receive a 'no time' if **any** trash crosses the designated herd line at any time! If a wrong number crosses the line before the designated cow number crosses, the team will receive a 'no time'. *Two minute time limit with a 5 loop limit.*

PEN AND DOCTOR

At the far end of the arena will be 10 horned cattle and 20 muley cattle numbered 0 to 9. The drawn number will be called when the first team member crosses the designated herd line and time will begin. There will be a 12'x12' pen with a gate placed approximately 12' off the arena fence. Riders must sort their 2 muley cattle from the herd and pen them in the placed pen and close the gate. Riders must also sort their horned cow from the herd, push it across the designated herd

line, head and heel the cow and put it on the ground. The team must then remove all ropes for time to be called. Cattle may be sorted in any order as to the three designated numbered cattle. Team will be allowed 5 loops total to head and heel the horned cow. Head catch must be a legal head catch and heel may be one or two feet. **Muley cattle must be penned before the horned cow can be roped. If penned muley cattle escape from the pen before time is called, a no time will result. There will be no trash allowed at any time during this event. 5 loop limit with a 3 minute time limit.**

TEAM SORTING

At the far end of the arena will be 12 head of cattle numbered 0 to 9 and 2 cattle without numbers. Team will be given a drawn number and time will start when the first team member crosses the designated herd line. The team must then sort the cattle starting with their called number in numerical order. If any cow crosses the line out of the designated sort order, or if an already sorted cow comes back across the line towards the herd, a 'no time' will result. *90 second time limit.*

TEAM PENNING

At the far end of the arena will be 30 head of muley cattle. There will be numbers from 0 to 9 on three sets of the thirty. Each team's draw number will be called when time starts at the designated start point. Each team must sort their three like numbered cattle from the herd and pen the three like numbered cattle in the designated penning corral. A total of 5 head will be allowed across the trash line at any time, but only the three like numbered cattle can be in the pen for time to stop. If a wrong number is in the pen, he must be removed for time to stop. If the herd of cattle "drift" across the trash line, the judge will have discretion to allow more than the 5 head across the line, but if the team **PUSHES** more than the five head across, a 'no time' will result. *Three minute time limit.*

Honoring a Young Woman

By Susan Miller & Kat Fuentes

*If you're going to live, leave a legacy.
Leave a mark on the world that cannot
be erased. – Maya Angelou*

The Chaffee County Fair offers awards in many different areas. But when it comes to the Champion Senior Round Robin Showmanship, the buckle and banner is presented in Codi Miller's memory.

Codi grew up on a ranch in Chaffee County with a passion for agriculture from the moment she was born. Codi showed sheep, goats, steers and even pigs (once). But Codi's passion was showmanship. Showmanship cannot be purchased. YOU have to work with and train an animal so the two of you become a team. You and your animal work together to achieve a showmanship win. As one of the most renowned livestock judges in the US, Ryan Rash, stated, "Not every kid is going to get the opportunity to show the Grand Champion Hog but they can all be the Grand Champion Kid and they accomplish that by winning the showmanship". Codi loved to win, as we all do, but she wanted competition. Codi wanted to work for the win. That is why she loved showmanship, work hard, show hard, win.

Codi helped other 4-H members in any way she could before, during, and after the county fair. Her smile was welcoming to all members and her enthusiasm pulled people to participate.

Codi was an officer for the Hub Club, the Chaffee County 4-H Council, and in school as well. Codi graduated from BVHS in 2013 as Valedictorian and proceeded to West Texas A&M University (WT) to achieve a Bachelor's of Science in Agriculture

36TH Annual CHAFFEE COUNTY FAIR & RODEO

Media and Communication. Codi was a member of the Attebury Honors Program, graduated with a 4.0 GPA, had seven internships as an undergraduate, and walked the stage despite unforeseen circumstances. Upon Graduation from WTAMU, she shared "Looking forward, I am not saying goodbye to WT and the people I have met in the three and a half years here. Goodbye means the end. Graduation is not an end or a beginning. It is a stepping stone in my journey through life." Codi felt the same way about high school, 4-H, Jackpot Shows, County Fair and State Fairs.

Starting this fall at WT, the Agricultural Media and Communication Student Memorial Scholarship will honor two former students, Codi Miller and William Lechner. Both students had a passion for agriculture but passed before they could pursue their dreams of advocating for the industry.

Codi loved helping people and focused on the positive while not dwelling on the negative aspects of life. Codi was strong: she was an introvert but very strong and determined. She loved to succeed at whatever she was doing. She didn't say I can... she said I will.

Codi passed away in June 2019 from a recurring brain stem tumor. She is remembered not only for her achievements, but for her love of agriculture, 4-H, showmanship and WT.

We, Codi's family and dearest friend Nick and his family, present the buckle and banner each year at the Chaffee County Fair to honor Codi's Legacy. We want to congratulate the previous winners; Scout McMurry, Meghan Anderson, Molly McMurry & Kaitlyn Walke. We encourage all 4-H members to work hard, challenge yourself, and strive to win. The buckle and banner for the Champion Senior Round Robin Showmanship is ready to be earned at the 2023 Chaffee County Fair.

rules for OPEN CLASS DIVISION

If entries are not picked up by 5:00 p.m.

July 30, they will be given to charity.

No Entry Fee!!!!

Accepting entries on Saturday, July 22 from 9-2:00 p.m. at the Chaffee County Fairgrounds

Only two entries per class and all items must be suitable for hanging.

Ribbons will be awarded in each class.

There are four age categories:

Peewee 5 - 12 Yrs

Junior 13 - 18 Yrs

Adult 19 - 55 Yrs

Senior 56 + Yrs

Open classes are categories in which anyone can enter.

Open Class Judging Monday, July 24 at 10:00 a.m.

GENERAL RULES AND REGULATIONS

A. The Chaffee County Fair Management will use all care possible to insure the safety of the entries; however, under NO circumstances will they be responsible for loss, injury or damage done to, occasioned by, or arising from any article on exhibition.

B. Each exhibit must be entered under the name of the person who made it.

C. All exhibits must have been completed since September 1, 2022. Articles that have been previous award winners in competition are ineligible.

D. All exhibits will be awarded a ribbon. A champion and reserve champion will be awarded in all classes, if merited. Rosettes awarded to best overall exhibit in each division.

E. Exhibits that do not follow class descriptions will be disqualified.

F. New classes may be created on entry day only when the following condition is met: When there are two or more entries which do not logically fit into established classes.

G. County Fair classes are not necessarily descriptive of, or included as, classes for entry at Colorado State Fair. See www.coloradostatefair.com for entry rules for State Fair.

PANTRY DIVISION

1. Each exhibitor is allowed two entries per class of different food products - items judged separately.

2. Any canned item that is not properly sealed and labeled (or shows leaks or spoilage) will not be accepted for entry. All canned products must have labels (no names, please), stating name of product, method of pack where applicable (hot pack or cold/raw pack), method of processing (water bath or pressure canned), process time, altitude, and date canned.

Example: Product Pitted Cherries

Method: Raw Pack (water bath or pressure canned)

Time: 28 minutes (pints)

Altitude: 7,000 feet

Date: September, 2022

All canned products shall be packed in clean, clear standard brand name jars, (no mayonnaise jars, etc.), sealed with new clean seals, processed since September 2012.

Canned fruits and vegetables will not be opened, but will be judged on appearance in the jar. Other canned items will be opened and tasted at the discretion of the judge.

3. Jams, jellies, preserves and marmalades must be water bath processed. **No paraffin allowed.**

4. Pies -- all pies must be in foil disposable pie pans. Crusts must be two-crust, lattice or woven lattice pastry. Filling must be homemade, fresh or canned fruit (no cream pies).

5. Jerky recipes must use Colorado State University

recommended procedures. Deer and elk meat are to include a copy of test results for Chronic Wasting Disease. (CWD test mandatory and a copy must be provided for the judge, Contact 539-6447 if questions)

TEXTILE, HOBBIES, CRAFTS, AND MISCELLANEOUS HANDWORK DIVISIONS

Entries per class per exhibitor: In all classes each exhibitor is allowed two entries per class of different items. Any items of a set will be entered as one exhibit (example: pillow cases, doll clothes, etc.)

1. Garments or articles must be clean. Soiled items will not be accepted.

2. Quilts may be made by an individual or a group. An exhibitor may enter a quilt made individually and a quilt made by a group.

FINE ARTS

1. Entries will be judged on originality, suitability and workmanship. The item should have been made within the last year.

2. All paintings must be framed and suitable for hanging, original, and no copies.

3. Each exhibitor is allowed two entries per class.

PHOTOGRAPHY DIVISION

1. Entries will be judged on originality, suitability and workmanship. The item should have been made within the last year.

2. All photographs must be framed and suitable for hanging, original and no copies.

3. Each exhibitor is allowed four entries per class.

HORTICULTURE DIVISION

1. Number of items as specified must be exact. Grooming is essential (cleaned, insect-free).

Uniformity of specimen is important.

FLORICULTURE DIVISION

1. Each exhibitor must furnish own container sized suitable to the exhibit. There should be foliage from the plant with the exhibit, but foliage will not be counted as a stem. All cut flowers to be exhibited with three stems unless otherwise indicated. Grooming is essential (insect-free, dirt-free, no damaged petals or foliage).

OPEN CLASS DIVISION

★ PANTRY DIVISION

(Food Preservation)

★ Label with name of product, date preserved and processing method (see rules).

Class 1 - Canned Fruits

- A. Apples, not sauce
- B. Applesauce
- C. Apricots
- D. Cherries, sour, pitted
- E. Cherries, sweet
- F. Peaches
- G. Pears
- H. Plums
- I. Raspberries
- J. Rhubarb
- K. Strawberries
- L. Miscellaneous

Class 2 - Canned Vegetables

- A. Beans, Green
- B. Beans, Wax
- C. Beets
- D. Carrots
- E. Corn
- F. Mixed Vegetables
- G. Peas
- H. Peppers
- I. Sauerkraut
- J. Tomatoes
- K. Miscellaneous

Class 3 - Jellies

- A. Apple
- B. Blueberry
- C. Cherry
- D. Chokecherry
- E. Crabapple
- F. Currant
- G. Gooseberry
- H. Grape
- I. Mint
- J. Peach

- K. Plum
- L. Raspberry
- M. Rhubarb
- N. Strawberry
- O. Miscellaneous

Class 4 - Jams

- A. Apple
- B. Apricot
- C. Blueberry
- D. Cherry
- E. Chokecherry
- F. Grape
- G. Mixed Fruit
- H. Peach
- I. Pear
- J. Plum
- K. Strawberry
- L. Raspberry
- M. Miscellaneous

Class 5 - Butters

- A. Apple
- B. Apricot
- C. Cherry
- D. Chokecherry
- E. Grape
- F. Mixed Fruit
- G. Peach
- H. Pear
- I. Plum
- J. Strawberry
- K. Raspberry
- L. Miscellaneous

Class 6 - Marmalade & Conserves

- A. Cherry
- B. Mixed Fruit
- C. Orange
- D. Peach
- E. Rhubarb
- F. Miscellaneous

4-H IS...Youth Development and people-sharing, learning, growing — becoming the best they can be.

4-H IS... Life Skills. Through real-life situations, 4-H helps youth develop life skills such as: communication, citizenship, decision-making, leadership, interpersonal relations and community and global awareness. 4-H IS...one of a kind! It provides learning experiences in which youth, with help from parents, interested adults and older youth leaders, grow personally as they develop skills for living. 4-H'ers have fun while they work and learn together. 4-H takes place in meetings, project groups, individual project work, schools, special activities or events. Skills learned through 4-H help people become better members of their families, communities and world. 4-H participants explore careers and positive leisure time activities. The mission of 4-H is "the 4-H Youth Development program creates an educational environment for positive development of culturally diverse youth, which enables them to reach their fullest potential." 4-H accomplishes its mission through non-formal education.

4-H IS...a family affair. 4-H is centered in the home and family. Members and parents often attend meetings together. Work on projects takes place at home — in the yard or around the kitchen table-with guidance from a parent, an older brother or sister, or a neighbor. The 4-H member needs the support and encouragement of a family. Growing together through 4-H strengthens the family.

4-H IS...a publicly supported informal education program. County, state and federal funds are combined in a unique partnership to support this educational program. The curriculum is provided through Colorado State University.

To join 4-H as a traditional member, youth must be between the ages of 8 and 19, as of the first of the year. Cloverbuds are ages 5-7, also as of January 1 of the starting year. Parents primarily teach the Cloverbuds, while adults of any age can become 4-H leaders for clubs, projects, or activities. For more information, please contact Chaffee County Extension at (719) 539-6447.

columbine gem & mineral society

The Columbine Gem and Mineral Society celebrates its 60th anniversary this August. Our members are a diverse group of amateur and professionals that share the common Love of "Rock Hounding". Our dedication to the Earth Sciences, Gem, Mineral, and Jewelry industries give us many opportunities to share in the wondrous geology of Colorado. Our activities include field trips, social functions and our annual participation in the Chaffee County Fair. Monthly meetings are the 2nd Thursday of each month 6:30 p.m. at the Shavano Manor Meeting Room. For further information on the Columbine Gem and Mineral Society contact Fred Jackson at 539-3930.
